Sub.: Extension of time limit for submission of Self-Appraisal on SPARROW for APAR 2021-22 by Administrative, Technical & SSS of ICAR system 2021-22-reg

This is with reference to Instructions dated 11.05.2022 issued by ICT Unit regarding timeline for filling up APARs of 2021-22 through SPARROW in ICAR and Circular of even number dated 27.05.2022. Since, SPARROW is being implemented across ICAR for the first time, therefore several technical issues relating to its implementation are being faced.

The same was also discussed in CJSC meeting held on 18.06.2022.

Accordingly, the competent authority at ICAR has decided to extend the time limit for filling up the self-appraisal through SPARROW **upto 07.07.2022.**

All stakeholders at ICAR Institutes & ICAR Hqrs. are requested to vigorously pursue the unresolved technical issues. All necessary support may be extended to SSS employees to enable them to fill APARs well in time as no further extension in time limits will be granted

The other time limits as mentioned in aforesaid ICT circular dated 11.05.2022 shall remain the same.
