### CIRCULAR

It is being observed that the hired vehicles such as Auto's, Ola cabs, Uber cabs and other taxi's are entering the office premises regularly which is disturbing the security of the Bureau and many of them resort to rash driving.

The Competent Authority has taken a very serious view on this issue and it has been decided that only personal vehicles of the Officers/Officials of the Bureau will be allowed to enter in office premises. The other hired vehicles will not be allowed to enter in office premises with immediate effects until permitted for a specific purpose.
